## Annual Autumn Outing

**Sunday, October 18, 2015**

**Let's visit Francestown!**

(see the back page for more information)

**I**T'S TIME for our Autumn Outing again! This year we're headed to Francestown. Our host will be the **Francestown Improvement & Historical Society** (FIHS) which has its headquarters and Historical Rooms right across the street from the **Old Meetinghouse**, 1801. **Charlie Pyle**, president of the Society, will coordinate our visit. All but one of the sites we'll be seeing are a stone's throw from where we'll be congregating—opposite the **Horsesheds**. Besides the Meetinghouse, we'll see the **Town Hall** (former Francestown Academy, 1847), the '**Beehive**,' 1846 (once a dormitory for the Academy and now owned by the FIHS which is raising money for its restoration after which it will be the Society's new home), the **Fairbank Scales**, and probably the most interesting for us, the **Thulander Heritage Museum**, a.k.a. the Vehicular Museum. This structure was fashioned by the Francestown Volunteer Fire Department from a barn frame brought from Weare and within is a selection of vehicles—an 1845 Concord coach, an 1850 fire department hand pumper and hose wagon, summer & winter hearses, and much more, all presented exceedingly well and a pleasure to view. Up Main Street is the former **Pacific Masonic Lodge**, now owned by the FIHS and it is here where we'll end our village tour with light refreshments. Please join us once again for our Annual Autumn Outing! 🍂

**C**OME to the **Jaffrey Civic Center** at **1 pm** when we'll congregate, arrange some carpooling, and head on our way to Francestown. Or go on your own, arriving by the Horsesheds in the center of Francestown at around 1:45 pm. And for those who want to have a nice dinner, we'll end up at **The Toll Booth Tavern** (be sure to RSVP). Details above and on the back page. 🍂

## News of your Society

GREETINGS TO ALL,

THE SOCIETY'S Annual Meeting on August 13th was very well attended, certainly not for the annual meeting part of it but for the excellent and illuminating talk by **Mark Cournoyer** on the four generations and the hundred years of the Cournoyer Funeral Home. The accompanying exhibit in the display cases focused on the 'Once and Future Park Theatre.' New Directors elected include **Bruce Hill** and **Fran McBride**. Replacing Fran as Recording Secretary is **Charlie Turcotte**.

A 'charrette' was held on Sunday, August 23rd, by the Horsesheds in Jaffrey Center to discuss the Society's proposal to build a **Hearse House** to accommodate our two historic hearses. Useful opinion was expressed which your Officers & Directors carefully considered when they met on the site on September 10th. After substantial discussion the 19 present overwhelmingly settled on a proposal which will be presented to the membership at a special meeting on October 8th. See further information in the insert to this newsletter. Also see <http://www.rs41.org/jhs/hearse.htm>

Our **Dean Murder Project** is still mostly in the information-gathering stage as it looks ahead to 2018, the centenary of this unsolved Jaffrey crime. The Dean Murder Research Group is scheduled to meet again on November 13th and before adjourning will pay a visit to the Dean Farm. See <http://www.rs41.org/jhs/dean.htm>

We've now exceeded 100 'Likes' on the Society's **Facebook** page. Have a look at <http://www.facebook.com/JaffreyHS>

Among our newest acquisitions is the painting shown below, a scene of downtown Jaffrey after a snow storm. Donated by brothers **Peter & Michael Elliston**, it's by the Dublin Art Colonist **Gouri Ivanov-Rinov** and is dated 1946. The painting now hangs in the Civic Center. Stop in and admire it over our new display cabinet.

I hope to see many of you on October 18th when we travel to Frankestown on our **Annual Autumn Outing**. (PLEASE REMEMBER TO **RSVP** TO ME IF YOU'RE JOINING US FOR DINNER AT THE **TOLL BOOTH TAVERN**. SEE BACK PAGE.)

August is the month the Society mounts an exhibit in the Civic Center's display cases. This year the focus was the "Once and Future Park Theatre." **Peggy Ueda** did the planning and arrangement.

collection of early and mid 20th century Cutter family photos and some older images of Jaffrey scenes, a welcomed addition to our Archives. And in August a major gift came the Society's way when a painting by **Gouri Ivanov-Rinov** depicting downtown Jaffrey in the winter of 1946—see the image on the opposite page—was donated by **Peter and Michael Elliston**, the sons of the original owner, Joanne Kane, a friend of the artist. (He was a member of the Dublin Art Colony. See <http://www.monadnockart.org/index.php/artists-past/gouri-ivanov-rinov>)

(The Society accepts any Jaffrey-related items that it does not already possess and that can be stored in one of our three basement rooms.) 🍷
